Description of Puppy _____
Breed: _____ Sex: _____ Color: _____
Date of Birth: _____
Sire: _____
Dam: _____

This puppy is of typical temperament and structure, and embodies the basic standards of the breed. The purchase price of this puppy will be refunded if the buyer furnishes the Seller with a veterinary certificate indicating that the puppy has a life threatening congenital defect or virus, and returns the puppy to the seller within 5 days of delivery.

Seller does not guarantee against communicable diseases beyond 10 days from buyer receiving the puppy. No veterinary or shipping cost will be reimbursed by the seller. We will guarantee the above puppy for one year from the date of birth against death caused by a genetic defect, or any genetic defect that would be life threatening to the dog. The diagnosis must take place within the first year for this claim to be valid. Accurate diagnosis of the life threatening genetic defect by the examining veterinarian, all documents and proof of the claim is to be sent to Seller within the first year. If the claim is for death, we will need all documents from the treating veterinarian, a formal necropsy and a cause of death to be sent to Seller. If all documents received and the claim occurred within the first year and it is valid, we will replace the pup with a pup of equal value and of the same gender as pups are available, with the buyer being responsible for all transportation costs. If the pup being replaced is used for breeding during, prior or after, the claim will be void. Prior to replacement of the puppy, the original AKC papers will be signed and returned to Seller. Seller does not guarantee against non-threatening puppy problems i.e. parasites, hernias, infertility, allergies, cherry eye, localized mange, loose hips, kennel cough, coccidia or giardia. Seller does not guarantee against avoidable diseases caused by improper care or neglect by the buyer. The puppy is healthy at the time of sale. The puppy has had the immunizations provided in the health record. Vaccinations must be kept current or the guarantee is void regarding the said puppy. The buyer must provide proof that the puppy is on quality dog/puppy food. Seller does not guarantee that this puppy shall win in conformation/performance events. Seller does not guarantee the size of the puppy's adult weight. This guarantee is void if the puppy changes ownership without the consent of Seller. No other warranties or guarantees are expressed or implied in this contract. The buyer agrees to maintain the puppy's health with yearly vaccinations and care as specified by their veterinarian. Should the puppy become ill or unsound, any and all of the cost of treatment will be the responsibility of the buyer and not reimbursed by the Seller. The buyer acknowledges that no veterinary bill incurred by the buyer will be paid by the seller throughout the puppy's life. Buyer acknowledges the risk of loss pertaining to mobility, illness, or injury at anytime. The buyer acknowledges the inherit responsibility that comes with owning a puppy which includes proper housing, veterinary care, grooming, and typical puppy and dog behavior.
